Hi Michael – Are you able to accommodate this request? And, get on the phone with Melanie from the WSJ? If you can provide her with background information that would be extremely helpful. Thank you – Liz

Hello,

This is Melanie Evans at the Wall Street Journal. If someone's free in the next two hours, I am hoping to interview someone at the EPA about efforts to monitor air quality in Texas communities affected by Hurricane Harvey. I am pulling together a story about initial reports from companies to the TCEQ on air emissions events.

I am now in New York and can be reached at 212-416-3708.

Melanie
